

General Assembly

January Session, 2011

Proposed Bill No. 6086

LCO No. 1855

Referred to Committee on Judiciary

Introduced by:
REP. HEWETT, 39th Dist.

AN ACT CONCERNING THE DNA DATA BANK.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 That sections 54-102g to 54-102l, inclusive, of the general statutes be
2 amended to require a DNA sample be collected from a person arrested
3 for a felony when such person is booked at the police station or, if
4 impractical, at a subsequent time and place during the pendency of the
5 case, to increase the penalty for any person who knowingly and
6 without authority disseminates information in the DNA data bank
7 from a class C misdemeanor to a class A misdemeanor, to increase the
8 penalty for any person who disseminates, receives or uses information
9 in the data bank knowing that such dissemination, receipt or use is for
10 a purpose other than that authorized by law from a class A
11 misdemeanor to a class D felony, and to provide that a person whose
12 DNA profile has been included in the data bank because of a felony
13 arrest may request expungement on the grounds that the charge was
14 nolleed or dismissed or the person was acquitted of the charge.

Statement of Purpose:

To expand the collection of DNA samples to be included in the DNA data bank and increase the penalties for the unauthorized dissemination or use of information in the data bank.
